

Provisional program
 11th Workshop " Combined Analysis Using Ray Scattering "
 July 6nd - 10th, 2020, Caen (France)

Monday	Tuesday	Wednesday	Thursday	Friday
10h Coffee welcome	9h Theoretical session	9h Theoretical session	9h Theoretical session	9h Practical session
	10h30 – 11h: coffee break			
	Theoretical session	Theoretical session	Theoretical session	Evaluation of the formation
12h30 -14h: Lunch				
Introduction	Practical session (use of MAUD software)	Practical session (use of MAUD software)	Lab tour (XRD instruments)	Open
15h30 – 16h: coffee break				
Theoretical session	Practical session (use of MAUD software)	Practical session (use of MAUD software)	Practical session (use of MAUD software)	Open
18h end of session				
		Workshop Dinner
